The company

**Revúcke koberce syntetické, s.r.o.**

**Priemyselná 306/9**

**050 01 Revúca, SLOVAKIA**

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 228/2016

**Tested for harmful substances**  
according to Oeko-Tex® Standard 100

VUTCH-16

VUTCH

for the following articles:

**Rugs produced with a tufting technology where 100% PA6 BCF Heatset yarn or 100% PA6 BCF yarn and 100% acryl yarns is tufted into 100% PP primary backing or into PES Filament Fleece, carpets are velor or loop-pile, it can be printed with different colors and designs, it is used gel foam coating on the base of SBR latex, partly made out of Oeko-Tex Standard 100 certified materials.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**This authorisation is valid until 31.03.2017**
